SKILLS

- **Languages:** Java, JavaScript, Python, SQL
- **Stack/Technologies:** MERN Stack, HTML5, CSS3, Tailwind CSS
- **Tools/Platforms:** Google Cloud Platform (GCP), MySQL, Git/GitHub, Linux
- **Soft Skills:** Problem-Solving, Analytical Thinking, Adaptability, Team Collaboration, Communication

PROJECTS

- **Smart Classroom & Timetable Scheduler:** [GitHub](#) Oct 2025 – Nov 2025
 - Developed a fully interactive **web-based system** to manage faculty, subjects, and classrooms, and automate timetable generation for academic institutions.
 - Implemented **scheduling constraints** to prevent room clashes, faculty overload, and excessive consecutive lectures for **optimized timetable allocation**.
 - Designed a **responsive and user-friendly interface** using Tailwind CSS and handled dynamic **DOM manipulation** using JavaScript and jQuery.
 - Integrated **LocalStorage for persistent data management**, including faculty records, subject assignments, classroom details, and generated timetables.
 - Implemented **admin authentication** and **PDF export functionality** for secure access and reporting.
 - **Tech Stack Used:** HTML5, Tailwind CSS, JavaScript, jQuery, LocalStorage.
- **Visitor Logging System:** [GitHub](#) Jul 2025 – Jul 2025
 - Deployed a **Tic-Tac-Toe web application** on a **GCP Virtual Machine** with **NGINX** for reliable hosting.
 - Built a **serverless logging pipeline** using **Cloud Pub/Sub** and **Cloud Functions** to capture visitor interactions.
 - **Simulated 50+ user requests, achieving <1 sec logging latency** for real-time activity tracking.
 - Generated insights on **usage frequency** and **engagement patterns**, demonstrating practical **cloud-native deployment** and **monitoring**.
 - **Tech Stack Used:** Google Cloud Platform (GCP), Compute Engine, Web Server, HTML/CSS/JS (web app), Cloud Pub/Sub, Cloud Functions, GCP Logging.

TRAINING

- **Center for Professional Enhancement – Lovely Professional University** [GitHub](#) Jun 2025 – Jul 2025
Summer Training – Basics of Data Structures and Algorithms
 - **About:** Gained foundational knowledge of **Data Structures and Algorithms** and applied problem-solving skills through practical exercises.
 - Developed a **Tic-Tac-Toe game** project to demonstrate logical thinking and programming skills, earning an **O grade**.

CERTIFICATES

- Google Cloud Computing Foundations Certificate (Google Cloud) [Link](#) Jun 2025 – Jul 2025
- Basics of Data Structures and Algorithms (Lovely Professional University) [Link](#) Jun 2025 – Jul 2025
- Skill Certification Test in Java (Basic) (HackerRank) [Link](#) Jan 2026 – Jan 2026

ACHIEVEMENTS

- **Google Cloud Platform Leaderboard – Diamond League**
Ranked among top performers in Google Cloud Challenges, completing 30+ hands-on cloud skills.
- **AWS Student Community Day – Participant (2025)**
Attended cloud-focused technical sessions and workshops on AWS services and architecture.

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology (CSE – Cloud Computing) CGPA: 7.40 Since Aug 2023
- **Scholars Abode School** Patna, Bihar
Intermediate Percentage: 68% Apr 2021 – Mar 2023
- **Scholars Abode School** Patna, Bihar
Matriculation Percentage: 70% Apr 2020 – Mar 2021
